CE-Reassigning Screen(1/2)

The screenshot displays the 'PMS - INVENTORY' web application. The header features the Government of Karnataka logo and the title 'PMS - INVENTORY'. A navigation bar includes links for Home, Project profile, Package Info, Components, Reports, and a user profile icon. The main content area shows a form titled 'Assign Component to SE Office'. This form contains four mandatory dropdown menus: 'Select Project', 'Select Package', 'Component Type', and 'Select SE Office'. An 'Assign' button is positioned at the bottom center of the form.

- In this Screen selection of all the fields are mandatory.
- As per G.O, Projects of each Unit are shown in select Project Field.
- Project → Package → Component Type → SE Office.

SE DashBoard

The screenshot displays the 'PMS - INVENTORY' dashboard. At the top, there is a header bar with a green-to-blue gradient. On the left of the header is the logo of the Government of Sindh, and on the right is the title 'PMS - INVENTORY' in bold, dark blue letters. Below the header is a dark blue navigation bar containing the following links: 'Home', 'Components' (with a dropdown arrow), 'Reports' (with a dropdown arrow), 'PMS-ILRMS LA Report', and a user profile icon. The main content area is white and features a large, rounded rectangular box with a blue border. Inside this box, at the top, is a 'Welcome' message. Below it are four colored squares, each with an icon and a label: a light blue square with a white icon of two overlapping squares labeled 'Assign Components'; a dark blue square with a white icon of two overlapping squares labeled 'Assign Canal Components'; a green square with a white icon of a pencil labeled 'Edit Assigned Components'; and a red square with a white icon of two overlapping squares labeled 'Assigned Components Report'. A blue line points from the text below to the 'Edit Assigned Components' button. At the bottom of the dashboard, there is a dark blue footer bar containing the text '© 2016 Project Monitoring System . All rights reserved | Designed By Irrigation & CAD Department' on the right and the URL 'localhost:9090/PMSWebApp/pmsMig/SeCanalReAssignComponent' on the left.
